

Steam School Youth Scholarship Application

The Wisconsin Historical Steam Engine Association Inc. is offering scholarships for its Steam School.

To be eligible applicants must be at least 12 years old, and not older than 18. To be considered for a scholarship, fill out the enclosed application, and send it to the address below.

Selected applicants will be entitled to registration and Saturday night meal at no charge. Applicants will be selected at steam school.

Though not required, an enclosed letter of recommendation can be sent along with the application.
