

# Parent/Mentor Steam School

## Scholarship

The Dairyland Farm Heritage Preservation Association is honored to sponsor a scholarship for the WHSEA Steam School.

This scholarship will cover the cost of Steam School registration, as well as the Saturday night meal. This scholarship also comes with a 1-year membership to the Dairyland Farm Heritage Preservation Association, and an invitation to help operate a steam engine at our

annual Fall Harvest Days show (2nd weekend in October).

To be eligible, applicants must be the parent or mentor of a minor (under 18) attendee of Steam School. The purpose of this scholarship is to encourage parents or mentors to attend Steam School with their child. To be considered for this scholarship, fill out the enclosed application, and send it to the address listed below. **Applications must be submitted by September 1.**
